Govt order dated 27th August 22 lays down that articles 181 (a) 1, 2, 3, 4 & 6 & 189 of the M.S.R prescribed in the case of Judges of the Chief Court will be made applicable to Dr Seal who will also be permitted to utilise the long vacation. Post article 181 (b) is omitted, apparently on the presumption that he will not be expected to stay at Headquarters to discharge duties similar to those of a vacation judge.

The Registrar now reports that Dr Seal was actually on duty in Ryang for 12 days during the vacation of 1924, in connection with the Honorary meetings that for nearly two months papers were submitted to him for orders at Dotacamund in consideration of this request that sanction may be accorded to his Drawing full pay for the privilege leave of 1 month 18 days under Art 191(3) or 185.

The Registrar in his letter dated 22nd March 1924, reported that Dr Seal proposed to spend the vacation partly at Calcutta partly at a hill station outside the State that important papers requiring prompt disposal would be submitted to him wherever he be. Govt in reply stated that they have no objection to the proposal the arrangements proposed for the conduct of work might be permitted to continue the vacation, the Vice Chancellor being an administrative officer is expected to attend to the disposal of all important administrative other questions requiring immediate action. (It is presumed that this the practice even in the Chief Court. where the Chief Judge is attending to the disposal of all important administrative questions referred to him during the vacation without expecting any consideration in return by way of claiming privilege leave on full pay for a period equivalent equal to that during which he attends to the disposal of such cases).

NOTE—Contn. sheet.

Inter, as the college remained closed during the vacation, such important cases referred to him for disposal must have been very few.

In view of the fact that he is expected to attend to the disposal of such cases during the vacation, the present representation to grant him full pay during privilege leave is not admissible according to the rules.

As Dr Seal is reported to have remained at Mysore on duty for 12 days in connection with the Planning meeting, he may perhaps be allowed to draw full pay for 12 days of Privilege leave under Art 91.(a) S.R.

The extension of the furlough by 2 days may also be sanctioned except

The last long vacation is stated to have been utilised by Dr. Seal, as he spent the best part of it at Ootacamund. He was not required to stay at Mysore and he was actually away from his Headquarters and I do not, therefore, think that the fact that he attended to office work at Ootacamund -- the chief officer of the University has to do such work even during vacation, wherever he may be -- can be urged in favour of claiming full pay for the period of privilege leave. Such a concession can be shown under Article ~~xxx~~ 181 (a) (5) only to an officer who is required under orders for the discharge of his duties to remain at his headquarters during vacation and does remain there.

It is, however, stated that he had to preside at the University meetings held on 3 days during this vacation, viz., 2 days in May 1921 and one day in June 1921. How the period of 12 days is calculated is not stated. Unless he was required under orders to stop at Mysore on all these days for the discharge of his official duties which required to be attended to at that place, ~~I do not think, I do not think~~ he can not claim full pay for this period of 12 days. He is entitled to vacation and if he spends a part of it in Mysore, he cannot urge his stay at that place as the reason for claiming full pay during a corresponding period of privilege leave he may subsequently take. The

first meeting in May is stated to have been on the 21st, and the second, on the 25th and in view of the fact that these two days were very near to each other, the whole period of 5 days from the 21st to the 25th may be considered as the part of the vacation which had necessarily to spend in Mysore. To this may be added the day in June on which he had to preside at one of the University meetings. He may accordingly be given full pay for six days of his privilege leave.

That he spent the Dasara Holidays in Mysore is no reason for claiming full pay for any part of the privilege leave taken by him.

NOTE—Contn. sheet.

Submitted to His Highness.

These papers relate to the leave and leave allowances of Dr.Seal, Vice Chancellor of the Mysore University, during his recent absence from the State owing to his son's illness.

2. Dr.Seal was absent from the 18th February 1922 to 6th May 1922. The summer vacation of the University commenced from the 3rd April 1922 and as Dr.Seal is entitled to utilize the vacation under the terms of his engagement, he was actually absent from duty from 18th February 1922 till the beginning of the vacation, i.e., till the 3rd April 1922.

3. He has already been granted privilege leave (on half salary) for one month and 8 days to which he was entitled from the 18th February 1922 and furlough for 6 days in continuation thereof, i.e.,up to the end of March 1922. He now requests that his furlough may be extended by 2 days, i.e., till the commencement of the vacation.This may be sanctioned.

4. As Dr.Seal is permitted to enjoy the annual vacation his privilege leave is regulated by articles 181 (a) and 189 of the Mysore Service Regulations,i.e., he will get only half salary during the period. He, however, requests that he may be given full pay for this period for the following reasons:-

(1) During the vacation of 1921 he remained actually on duty in Mysore for 12 days as he had to preside at the University Council meetings held on the 21st May 1921,25th May 1921 and 30th June 1921.

(2) During the remaining period of the vacation papers used to be submitted to him at Ootacamund.

(3) He also stayed at Mysore and attended to University work during the Dasara holidays of 1921.

5. The Financial Secretary says that as Dr.Seal was not required to stay at Mysore during the vacation of 1921 and he was actually away from his head-quarters, the fact that he attended to office wor

at Ootacamund, cannot be urged in favour of claiming full pay and that such a concession can be shown only to an officer who is required under orders for the discharge of his duties to remain at head quarters during vacation and does remain there. He adds that spending Dasara holidays at Mysore is also no reason for - claiming full pay during privilege leave.

6. As regards the period of 12 days stated to have been spent at Mysore in connection with the University meetings on the 21st and 25th May 1921 and 30th June 1921, the Financial Secretary says that it is not clear how the period has been calculated. He, however, thinks that as the dates of the two meetings of the University, viz., 21st and 25th May 1921 were very near to each other, the whole period of 5 days from the 21st to 25th May 1921 may be considered as part of the vacation which Dr.Seal had necessarily to spend at Mysore and also the 30th June 1921 the date of the 3rd meeting. He therefore recommends that Dr.Seal may be given full pay for 6 days of his privilege leave and half pay for the rest of the period.

7. As it is stated in the University Registrar's letter that Dr.Seal remained actually on duty in Mysore for 12 days during the vacation of 1921 in connection with University meetings, I think it is but fair that the whole of this period should be considered as part of the vacation which he had to spend at Mysore. It is not necessary to go into the details of calculation. The period probably includes time spent on study of questions coming up before the University Council.

8. I agree with the Financial Secretary that the circumstance that Dr.Seal attended to some office work during the vacation at Ootacamund and that he remained at Mysore during the Dasara holidays does not entitle him to full pay for a corresponding period.

9. In these circumstances, I beg to recommend for the gracious sanction of His Highness that Dr.Seal may be granted full pay for the first 12 days of his privilege leave and half pay for the remaining period.

Sir,

Adverting to Government Notification No. 6158/ C.B. 187-21-14 dated 3rd April 1922, sanctioning combined leave for one month and fourteen days from the 18th February 1922, to Dr. Brajendra Nath Seal, M.A., Ph.D., D.Sc., Vice-Chancellor, Mysore University, I am directed to state that he returned to duty on the forenoon of the 7th May 1922 and to request you to be so good as to move Government to accord sanction to the extension of the above combined leave by two days (furlough), that is till 3rd April 1922 -- the date of the commencement of the Summer vacation of 1921-22, the rest of the period being vacation. The entire period of absence of 2 months and 19 days may be treated as follows:-

2 days (2nd and 3rd April)	Furlough ..	Yet to be sanctioned.
1 month and ¾ days	.. .. ..	.. V a c a t i o n.

In this connection, I am to invite your kind

attention to Government order No. 1108-9/Edn. 50-21-1, dated Bangalore, 27th August 1921, in which he is "permitted to utilise the long vacation of the Colleges every year" and to state that during the last long vacation, he remained actually on duty in Mysore for 12 days as he had to preside at the University meetings held on the 21st May 1921, 25th May 1921 and 30th June 1921 and that during the remaining period of nearly two months papers used to be submitted to him at Ootacammund for orders. Further, during the last Dasara (Puja) holidays also he stayed in Mysore and attended to University work especially as he had to deliver the Convocation address.

How is this computed?

This is a case for Compensatory leave
